

## Recipe for: CREAMY PEACH PIE

---

- 1 (3 oz) pkg. peach Jell-O (or half of a 6 oz. box)**
- 2/3 cup boiling water**
- 1 cup vanilla ice cream**
- 1 (8 oz) container of Cool Whip, thawed**
- 5 fresh peaches, peeled and cut into bite-sized pieces**
- 1 graham cracker crust (9 inch)**

In a large bowl, add boiling water to gelatin. Mix until the gelatin is completely dissolved.

Add the vanilla ice cream and stir until melted. Add the Cool Whip and mix until well combined.

Fold in the peaches and pour into the pie crust. Refrigerate for at least 2-3 hours before serving. Slice, serve and enjoy!
